### Easter Extravaganza

As expected the Easter Bunny paid a visit to Nursery leaving lots of treats for everyone. The children were all very 'egg-cited' to take part in our annual Easter Egg Hunt. Each room made their own individual Easter nests. They melted the chocolate and added broken up shredded wheat, cornflakes or rice Krispies. They mixed them together to create their nests. Each room used different types of confectionary to create their 'eggs' on their nests, yummy!!

# Squirrel Special Day: Picnic Lunch at the Park

The Squirrels enjoyed a special day this month; a picnic lunch at the park. They had snack before they got ready with sun cream, hats and hi-viz jackets. All the children walked beautifully to Harris Park, chatting along the way about the flowers they could see. Once there, the boys and girls followed the rules of the park, staying close to the grown ups. At the park they climbed up high, swung on swings, whizzed down slides, went up and down on the see saw and twirled around the fire pole. After all the excitement, they rested before enjoying their picnic lunch. They had sandwiches, Pom bears, an apple, a Frube, a chocolate biscuit and of course a blackcurrant water. After lunch they enjoyed a few races to the trees and back, seeing who would win. They nipped to the toilet before heading back for a well deserved rest and a refreshing drink.

# Butterflies Animal Week

This month the Butterflies have been looking at animals. They made animal face biscuits, went on a monkey puzzle hunt and a shopping day to our own version of West Cumberland Farmers. They also held a 'Day at the Vets' where the children had the opportunity to take care of all the sick animals.

# Caterpillars Special Week

The Caterpillars held a special week, taking part in an array of exciting activities. They came dressed in their pyjamas for a dance party, explored the sensory tray and brought in their favourite teddy. They also held a BIG construction day, seeing how high they could build towers with a variety of construction materials.

## I Went to the Park

I went to the park and I swung  
on a swing,  
swung on a swing, swung on a  
swing,  
I went to the park and I swung  
on swing, early in the morning

I went to the park and I slid  
down the slide,  
slid down the slide, slid down the  
slide,  
I went to the park and I slid  
down the slide, early in the  
morning

We have so much fun in the park,  
we go there come  
sunshine or rain,  
We can run, jump and play in the  
park, lets go there again and  
again.

I went round and round on a  
roundabout,  
roundabout, roundabout,  
I went round and round on a  
roundabout, early in the morning

I went to the park and threw  
seeds to the ducks,  
seeds to the ducks, seeds to the  
ducks,  
I went to the park and threw  
seeds to the ducks,  
and then we all went home.
